The personal information that Council is collecting from you on this application form is personal information for the purposes of the Privacy and Personal Information Protection Act 1998 (PPIP Act). The supply of the information by you is not voluntary but is required by the Environmental Planning & Assessment Act, and in accordance with such Act and the Local Government Act, is required to be contained in a Public Register to which the public has right of access. This personal information may be supplied under certain circumstances to other public sector agencies e.g. Australian Bureau of Statistics, Australian Taxation Office, in accordance with the PPIP Act. Enquiries may be directed to Council's Public Officer concerning the PPIP Act or Council's Privacy Management Plan or your right of access to your personal information held by Council or its amendment.

Part 1		Site and Applicant Details				
1.	Location of the proposed development	Unit No House No. Property/Building Name Avoca Tank Street Town/Village/Locality				
2.	Land title description We need this to correctly identify the land	Lot(s) 10 (part), 135 and 144 / 3 (part) Section Deposited Plan(s) 751315 / 751342 Other Strata Plan				
3.	Your (the Applicant's) name If you represent a company, please apply in the company's name. State your position under the "Title – Other".	Title				
4.	Your postal address	Suite 1, Level 2, HQ South Tower, 520 Wickham Street, FORTITUDE VALLEY QLD 4006				
5.	Your contact details	Phone (BH) (07) 3034 6200 Mobile 0439 856 000 Fax (07) 3034 6290 Email tcooney@straits.com.au				
Part	2	Development Details				
6.	Development Proposal Indicate the Type of development proposed	☐ Use of land/building ☐ Carrying out of work ☐ Erection of a building ☐ Demolition ☐ Subdivision of Land/building ☐ Advertisement/advertising sign ☐ Change of building use				
Form N	o. BOG001	18 May 2011 Page 1 c				

Avoca Tank Project Report No. 859/02

Par	t 2	Development Details (cont.)
7.	Development Description e.g. erection of dwelling, strata subdivision of a residential flat building, change of use of building from warehouse to retail store, etc	Construction and operation of an underground mine to extract up to approximately 681 000t of copper-gold-silver ore over 4 years for transportation and processing at the Tritton Copper Mine. The overall-life of the Project is anticipated to be 7 years, including construction, mining and rehabilitation.
8.	Proposed Use State the intended use of the land/building, e.g. warehousing of whitegoods, motor vehicle repairs, etc.	Underground Mining
9.	Staged development?	Are you applying for development consent in stages? ☑ No □ Yes → Attach information which describes the stages of your development.
10.	What is the estimated cost of the development	Estimated Cost: (Incl. GST – round up to nearest \$1,000,00) \$ 20,000,000.00.
11.	Are you also seeking an approval under the Local Government Act 1993?	No
	You can apply with this development application to seek an approval for any of the listed activities which require approval under Section 68 of the Local Government Act, 1993. Additional fees may be applicable. NOTE: the plans, specifications & information required for Council to process and assess the relevant Activity (including that which is specified in the Regulations under the Local Government Act) must also be submitted with this application.	Install a manufactured home, moveable dwelling or associated structure on land Carry out water supply work Draw water from a council water supply or a standpipe or sell water so drawn Install, alter, disconnect or remove a meter connected to a service pipe Carry out sewerage work Carry out stormwater drainage work Connect a private drain or sewer with a public drain or sewer under the control of a council or with a drain or sewer which connects with such a public drain or sewer For fee or reward, transport waste over or under a public place Place waste in a public place Place a waste storage container in a public place Dispose of waste into a sewer of the council Install, construct or alter a waste treatment device or a human waste storage facility or a drain connected to any such device or facility Operate a system of sewage management (within the meaning of section 68A) Swing or hoist goods across or over any part of a public road by means of a lift, hoist or tackle projecting over the footway Expose or allow to be exposed (whether for sale or otherwise) any article in or on or so as to overhang any part of the road or outside a shop window or doorway abutting the road, or hang an article beneath an awning over the road Operate a public car park Operate a caravan park or camping ground Operate a manufactured home estate Install a domestic oil or solid fuel heating appliance, other than a portable appliance Install or operate amusement devices
12.	Does the development require the Concurrence of State Agencies?	No ☐ Yes – If yes, state applicable agencies below 1

Part 4	Submission Checklist (cont.)			
•	A species impact statement (in the case of land that is, or is part of, critical habitat or development that is likely to significantly affect threatened species, populations or ecological communities, or their habitats).		X	
	If the development involves a change of building use:			
	- A list of the Category 1 fire safety provisions that currently apply to the existing building, and		X	
	 A list of the Category 1 fire safety provisions that are to apply to the building under its new use. If the development involves any subdivision work: 		X	
	 Details of the existing and proposed subdivision pattern (including roads and allotments), 		X	
	 Details of consultation with public authorities responsible for provision of utility services, 		X	
	 Preliminary engineering drawings indicating proposed infrastructure including roads, water, sewerage, stormwater, power, telephone, gas, 		\boxtimes	
	 Existing and finished ground levels, existing buildings, trees, wells and water channels, 		X	
	 Details of areas to be filled, including nominating any existing trees to be removed, 		X	
	- Preliminary soil & water management details.		X	
	If the land is within a wilderness area and is the subject of a wilderness protection agreement or conservation agreement within the meaning of the <u>Wilderness Act 1987</u> , a copy of the consent of the Minister for the Environment to the carrying out of the development, Additional information required by Council, where applicable:		$\overline{\mathbf{X}}$	
	- Measures proposed to protect any adjoining properties, roads and footpaths, and the public.	X		
	 Waste products generated by the development, there collection and manner of disposal. 	X		
	 Soil & water management plan, including erosion & sedimentation control details. 	X		
	 Type, vehicle size, frequency and delivery times of service and delivery vehicles to the site. If the development is located on Bush Fire Prone Land: 	X		
	- A bush fire assessment detailing compliance/deviations from Planning for Bush Fire Protection,	X		
	 And if Integrated due to s100B, provide all details specified under clause 46 of the Rural Fires Regulation 2002, together with completion of the NSW RFS Referral Form. 			
M ⊕ E	A development application for any BASIX affected development must also be accompanied by a BASIX certificate or BASIX certificates for the development, being a BASIX certificate or BASIX certificates that has or have been issued no earlier than 3 months before the date on which the application is made.		\square	
•	If the proposed development involves the alteration, enlargement or extension of a BASIX affected building that contains more than one dwelling, a separate BASIX certificate is required for each dwelling concerned.			
•	if the development involves the erection of a temporary structure, the following documents:			
	meet,		X	
	 A list of any proposed fire safety measures to be provided in connection with the use of the temporary structure, 		\boxtimes	
	 In the case of a temporary structure proposed to be used as an entertainment venue—a statement as to how the performance requirements of Part B1 and NSW Part H102 of Volume One of the Building Code of Australia are to be complied with (if an alternative solution, to meet the performance requirements, is to be used), 		×	
	 Documentation describing any accredited building product or system sought to be relied on for the purposes of section 79C (4) of the Act, 		X	
	- Copies of any compliance certificates to be relied on,		X	
•	in the case of a development involving the use of a building as an entertainment venue or a function centre, pub, registered club or restaurant—a statement that specifies the maximum number of persons proposed to occupy, at any one time, that part of the building to which the use applies.		\boxtimes	
•	A development application that relates to development in respect of which a site compatibility certificate is required by a State Environmental Planning Policy must be accompanied by such a certificate.		X
