

Mine Geologist

5/2 - 4/3 RESIDENTIAL ROSTER – Immediate Start
COMPETITIVE SALARY PACKAGE

About Us

- Aeris Resources Limited is a mining and exploration company with two underground copper mines, both within the Tritton Mines operation located near Nyngan in central NSW.
- Residential roster allows you to be home with your family every night.
- We are a deep, high tonnage stoping and trucking operation, currently the largest of its type in NSW.
- Current mine life of seven years with a 14 year track record of extension.
- In the last year we have completed one satellite operation, opened and brought into production a new underground mine, with plans to start another in the near future.
- Having just completed a record breaking 864m vent shaft, and significant fleet upgrade, we are looking to raise the bar of mine performance.
- We are a highly productive operation with unit costs that are the envy of many other companies.
- We have a willingness to try new things, think outside the box and allow you to explore new ideas.

The Role

Reporting to the Senior Mine Geologist, the **Mine Geologist's** responsibilities will include, but not be limited to:

- Daily functions of the Mine Geology team, including production duties (mapping and sampling)
- Conduct geological & structural interpretation and modelling
- Assist in the design of drilling programs for grade control and near mine exploration, including core logging
- Assist in the coordination of geological inputs, and participate in mine planning functions

The successful candidate will need to possess the following skills and experience:

- Tertiary qualifications in Geology, ideally with a minimum of 4 years experience (underground preferred)
- Ability to work to tight timeframes and deadlines
- Strong written and verbal communication skills
- A strong commitment to providing a safe working environment
- Manual Drivers Licence
- Microsoft Office skills, Database (AcQuire preferred) and 3D modelling packages

If you have the above experience, please send your CV with covering letter to recruitment@aerisresources.com.au

Enquiries should be directed initially to the Human Resources team at Tritton Mines on (02) 68381100.
