

Technical Services Superintendent

5/2 - 4/3 RESIDENTIAL

About Us

- Aeris Resources Limited is a mining and exploration company with two underground copper mines, both within the Tritton Mines operation located near Nyngan in central NSW.
- We are a deep, high tonnage stoping and trucking operation, currently the largest of its type in NSW.
- Current mine life of seven years with a 14 year track record of extension.
- Having just completed a record breaking 864m vent shaft, and significant fleet upgrade, we are looking to raise the bar of mine performance.
- We are a highly productive operation with unit costs that are the envy of many other companies.
- We have a flat and open organisational structure.
- We have a willingness to try new things, think outside the box and allow you to explore new ideas.

The Role

Reporting to the Mining Manager, the Technical Services Superintendent will lead a small but effective team of Mining and Geotechnical Engineers, Geologists, and Surveyors. You will be responsible for:

- Coordinating and managing all aspects of technical services support onsite to provide clear direction to both Mine Operations and Commercial functions
- Oversee medium and long term planning and scheduling for both operating mines, including Life of Mine, and statutory Mineral Reserve reporting
- Continually monitor, analyse and improve performance and systems.
- Plan, budget, and implement operational improvement projects.
- Provide cost control guidance, cost comparisons against budget, and assist in the creation of an accurate mine budget

About You:

- High degree of autonomy and ability to make a difference
- Operations experience within underground environment
- Demonstrated experience in leading and managing multi-disciplinary teams.
- Extensive experience in a similar role in underground metalliferous mining
- Experience in Minerals Reserve reporting
- Tertiary education in Mining Engineering or related discipline
- Mine Managers Certification would be advantageous

If you have the above experience, please send your CV with covering letter to recruitment@aerisresources.com.au

Enquiries should be directed to the Human Resources team on (02) 68381100.

Aeris is an equal opportunity employer.

Applicants must be able to show they have the right to live and work in this location.
