

# Underground Trainer

**8/6 Residential Roster**  
**Residential Allowance**  
**Competitive Salary Package**

**Aeris Resources Limited is a mining and exploration company with two underground copper mines at the Tritton Mines operation located near Nyngan in central NSW.**

Nyngan is a well-serviced town of 2500 residents just under 600km northwest of Sydney. Nyngan offers a relaxed country lifestyle whilst providing a great range of established services including educational, recreational, health and sporting facilities.

We are currently seeking an experienced **Underground Trainer** to join our Tritton operations. Reporting to the Mine Manager, the role is to provide training and assessment services to the Tritton Mines operations.

## **Key responsibilities include:**

- Flexible roster to be able to meet the requirements of working with all crews
- Significant portions of the shift will be spent underground training underground personnel
- Hands on underground and machinery training
- Management of training administration and documentation
- Establish and maintain good working relationships with managers, supervisors and employees
- Make recommendations for employee training development
- Development of training packages, SWI's etc
- Involvement in formal risk assessments and incident investigations

## **What you will need for this role:**

- Certificate IV Training and Assessing (highly desirable)
- Experience in Sandvik and CAT haul trucks, Sandvik drills (Jumbo and Cabolter), CAT and Sandvik loaders
- Strong underground mining experience and operational knowledge
- Excellent written and verbal communication skills
- Previous experience in developing & delivering training packages

If you have the above experience, please send your CV with covering letter to [recruitment@aerisresources.com.au](mailto:recruitment@aerisresources.com.au)

Enquiries should be directed initially to the Human Resources team at Tritton Mines on (02) 68381100. [aerisresources.com.au](http://aerisresources.com.au)
