

# Company Information

*We are Aeris*

**Aeris Resources is a mid-tier base and precious metals producer. Our copper-dominant portfolio comprises of four operating assets, a long-life development project and a highly prospective exploration portfolio, spanning Queensland, Western Australia, Victoria and New South Wales with headquarters in Brisbane.**

Aeris has a strong pipeline of organic growth projects, an aggressive exploration program and continues to investigate strategic merger and acquisitions opportunities. The Company's experienced board and management team bring significant corporate and technical expertise to a lean operating model. Aeris is committed to building strong partnerships with its key community, investment and workforce stakeholders.
